Misha Black	Professor																								Deceased			
Frank Height	Tutor		Senior Tutor			Reader										Professor?			Professor						Deceased	28-Jul-13	Aine Duffy e	31-Jul-13
Bernard Myers			Tutor										See DEU below															
others																												
L Bruce Archer				Tutor																								
					School of Industrial Design (Engineering): Research Unit							Department of Design Research																
L Bruce Archer					Senior Research Fellow	Head of Department						Research Professor			*	^									Deceased	16-May-05		
Kenneth Agnew					Research Fellow					Research Me	Senior Research Fellow																	
Timothy Coward					Design Research Assistant	Research Fellow				Research Member			Research Fellow															
Anthony P Smallhorn					Design Research Assistant																							
Gillian A Patterson					Information Research Off	Research Fellow				Research Member			Research Fellow															
Pauline M Benington					Secretary																							
Richard Barnard						Technician																						
Alan Brunsdon						Research Fellow		Research Fe	Research Member																			
Kenneth Claxton						Research Fellow																						
Karl-Achim Czemper						Research Fellow																						
Michel La Rue						Research Fellow																						
Patrick Purcell						Research Fellow				Research Member			Senior Research Fellow						Tutor						Deceased	09-Feb-07		
Joseph Armstrong						Technician																						
Jane Coward						Assistant Secretary																						
Fionn Kennedy							Research Fellow																					
Richard Langdon							Research Fellow			Research Member			Research Tutor		Research Fe *		See DEU below		Tutor									
Kenneth Sadler										Research Member																		
John Oates							Junior Rese	Research Fe		Research Member																		
Judith Oates							Research Assistant																					
Douglas Tomkin							Research Ad	Research Fe		Research Member			Research Fellow															
Hilary Onley-Wilde							Assistant Se	Secretary																				
Andrew Garnett										Research Member																		
Roger Haydon										Research Member																		
Brian Pendry										Research Member																		
Pamela Rogers										Research Member			Research Fellow															
Jim Singh Sandhu										Research Member																		
John Wood										Research Member			Research Fellow															
Anthony Zubick										Research Member																		
Lynne Lambert										Secretary																		
Diane Prime										Secretary																		
Helen Wignall										Secretary	Research Member																	
Lucy-Claire Berge											Secretary																	
Sally Mills											Secretary																	
Judith Allison												Secretary																
Maureen Ellen												Secretary																
Arlene Ross												Secretary																
Pierre Goumain													Research Fellow													in a care hor	George Mall	03-Oct-15
John Hughes													Research Fellow															
Andrzej Kociolek													Research Fellow															
George Mallen													Research Fellow						Tutor									
Peter Sampson													Research Fellow															
Patrick Donald													Technician		*				Technician									
Chris Burden													Secretary															
Deirdre Lennon													Secretary															
June Richards													Secretary															
Henrietta Ryott														Secretary														
John Lifton-Zoline															Research Fellow													
John Harahan															Research Associate													
Sue Jackson															Research Associate													
Craig Johnson															Research Associate													
Christine Matthiessen															Research Associate		Research Fellow											
Tricia Sykes															Research Associate													
Valerie Adler															Secretary													
Constance Barrett															Secretary													
Marilyn Pettit															Secretary	*												
Jane Voller															Secretary													
Alfonso Gomez																Research Ad	Research Fellow											
Tricia Herbert [could be Sykes, married?]																Research Associate												
Martha Gibbons																Secretary												
Sally Needham																Secretary												
Colin Emmett																	Research Fellow											
Martin Hazell																	Research Fellow											
Brian Wyvill																	Research Fellow		Tutor									
Janet Daley																			Tutor									
Natasha Spender																			Tutor									
Mario Bellini																			Visiting Lecturer									
David Canter																			Visiting Lecturer									
Peter Coles																			Visiting Lecturer									
Norman Freeman																			Visiting Lecturer									
Roger Hunt																			Visiting Lecturer

Spencer Childs																			Technician									
Mary Childs																			Secretary									
																	Design Education Unit											
Kenneth Baynes																	Tutor		Tutor									
Richard Langdon																	Tutor		Course Tutor									
Bernard Myers																	Tutor†		Tutor									
Philip Roberts																			Tutor									

"Experimental Cartography Unit established"

* these individuals are singled out at 1st appearance of the DDR in the Yearbook (it now appears twice).
† Myers had been on IDE staff for years?
^ Archer also appears as Research and Development Liaison Officer

Archer becomes DrRCA
Black becomes HonDrRCA

At this point DDR claims: "The Department of Design Research was set up in 1961"
